ABOUT

Passionate developer with over 3 years of experience. I am engaged in the creation of sites, admin panels, services and widgets.

I like both to develop interfaces, including interactivity, and to work with data arrays. I would like to work on Vue.js projects.

Completed two courses in JavaScript and one in web design.

SKILLS

Frontend

- HTML5 (PUG, BEM), CSS3 (SASS/SCSS)
- JavaScript, Vue.js, jQuery
- REST API

Related Skills

- PHP
- CMS: Modx, PrestaShop
- Interface design

Workflow

- Terminal
- Git
- Webpack

Software

- Figma, Photoshop, CorelDraw
- Microsoft Office

WORK EXPERIENCE

Freelance Frontend developer

2018 – present

The main jobs I did:

- Development of services and widgets in JavaScript
- Html layout
- Integration with cms Modx and Prestashop
- Interface design
